

HS120

Sound Projector

AUDAC

► Features

- Meets the IP65 standards
- Full range sound projector
- Available in grey and green colour
- Strong ABS housing
- Integrated steel safety cable
- Wide and smooth frequency response

► Applications

- Wide variation of in- and outdoor applications
- Shoppingstreets
- Factory halls
- Amusement parks
- Playgrounds

The HS120 is a full range sound projector based on a 4" full range driver, especially designed to provide quality sound with a long throw range in a wide variation of in- and outdoor applications.

Its wide, smooth frequency response and high efficiency ensure high-fidelity music reproduction along with superb projection of clear, intelligible speech at very low distortion.

He delivers a power of 20W RMS in standard 8 Ohm systems with a maximum power of 40 W, but it can also be used in 100V PA systems. The 100V line transformer has power tapping's for 20W, 10W and 5W which can be selected by the special designed waterproof 5 pole connector. This connector allows to select the desired power tapping depending on the angle of rotation of the connector.

The housing is made of the strongest ABS material and is available in 2 colours: grey (HS120) or green (HS120/G).

These colours ensure a perfect blend with the most common situations the speaker is used in.

As an additional safety provision, the speaker is equipped with an internal steel safety cable, which prevents the loudspeaker to fall in case the housing is damaged or broken.

This projector meets the IP65 standards.

► Specifications

SYSTEM SPECIFICATIONS	
Max power	40 W
RMS power	20 W
Power line transformer 1	20 W / 500 Ohm
Power line transformer 2	10 W / 1000 Ohm
Power line transformer 3	5 W / 2000 Ohm
Impedance speaker	8 Ohm
Sound pressure 1W/1m	98 dB
Sound pressure Max W/1m	114 dB
Frequency response -3dB	150 Hz - 13 kHz
PRODUCT FEATURES	
Dimensions (Width x Height x Depth)	220 x 160 x 230 mm
Weight net	2.3 Kg
Drivers	4" Full range
Connectors	5-pin HS120 connector
Construction	ABS
Front finish	Aluminium grill
Mounting	Inox bracket, inox screws
Colour	Grey (RAL 7035) Green (RAL 6002)
SHIPPING & ORDERING	
Packaging	Carton box
Shipping weight & volume	2.4 Kg - 0. 0081Cbm
Accessory included	Mounting bracket
